

PERMISSION FORM LETTER: BOYS BASKETBALL 2019-20

TEAM: All boys are automatically eligible for the boys basketball team unless they are ineligible based on the Athletic Code signed by the student and parent at the beginning of the year.

COACHES: See back for a list of coaches and teams

PRACTICE TIMES: See back. **Please be prompt in picking your child up after practice. These times will not vary without prior notification from the coach.**

PRACTICES START: The week of October 28th.

TRYOUTS: We will be having tryouts for the B and B2 teams only. 5<sup>th</sup> and 6<sup>th</sup> graders will have the choice to tryout for the B Team or B2 Team. If your child decides NOT to tryout, he will be automatically placed on the B2 Team. Please indicate below if your child will be trying out. ***Tryouts times are listed on the back of this form. If your child indicates a desire to tryout, he IS expected to be at the tryouts. If, after the permission slips are returned, we find that more boys go out than expected, we may still have to do tryouts for the A Team, but at this time we are not planning on them. If this happens, a separate letter explaining the situation will be sent home.***

INSTATEAM: Mr. Fenrick will email you an invitation to join InstaTeam. This app will keep you up to date on any potential changes to the schedule. Parents are **required** to join, but feel free to share this invite with other family members as well. This is your best source for information on practices, games, and tournaments. They can also be found on our school website. When the schedule is completed, a paper copy will also come home.

NEED FOR PRACTICE: Boys should have their own shorts, T-shirt, white socks, and basketball shoes (with good ankle support) at each practice. If a playbook is handed out, they should also bring that to each practice.

ST. PAUL'S SUPPLIES: Uniform for games, balls, and gym for practicing.

HOMEWORK/RESPECT: We expect all student athletes to complete their homework daily and show respect for their teachers and classmates. If you need extra help in any subject, talk to your parents and teacher. They will be happy to help. As for respect, a good rule to follow is: "Always Encourage, Never Discourage."

HEALTH: It is important that athletes eat proper foods and get adequate sleep each day. It is recommended that each participant be examined by their family physician (at least within the past 9 months) to detect any problems that may prevent them from participation in this sport.

CODE VIOLATIONS: The season begins Oct. 28. Any violations of the Athletic Code signed by the student athlete and parent will affect participation in basketball beginning on that date and ending with the last game of the season.

REPORT CARDS: Report cards come out in early November. Mr. Fenrick will decide if any student athletes will need to miss practices or games due to code violations.
