Thank you to the class and the parents for the class' Christmas gifts to myself. Your kindness and generosity is very appreciated.

Save the Date

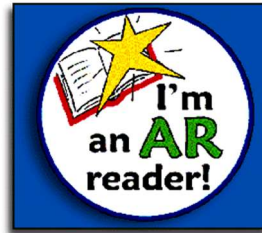

January 31st is Lutheran Schools' visiting day. 1st grade is doing a service project of tying blankets for Beloit Memorial's Family Care Unit. To make this a success, we need parents and grandparents to help.

Lunch with the Librarian / Principal

If your child is interested in going to *Lunch with the Librarian / Principal* in May. After Christmas is the time you need to help your child get reading and taking tests. Your child will need 175 Accelerated Reader Points. We will continue taking tests during the school day; however it will not be enough to reach this goal. Lunch with the Principal / Librarian is for those students who are going above and beyond the school day. Your child will need your assistance in helping them take tests either before or after school. If you plan on taking tests before school, please plan on getting to school around 7:45. Tests can only be taken at school in the library or in the classroom (not at home).

A hint especially for the mornings – read the books at home. So you only have to do the testing. There really isn't enough time in the morning to read and do the testing on the book.

Flash Cards

First graders will begin bring home a set of flash cards to practice each evening. The cards have been organized into math families. We will start with the lower level facts and more into the higher ones as we progress through the year. Please go over the cards each evening, sign the envelope and return them the next school day. Flash cards will come home Monday to Thursday evenings. If flash cards are lost or damaged, you will be asked to pay for them.
