### Testing

The week of March 16th, our class will be doing achievement testing (MAPS testing). Students need to be here. Please do not schedule doctor's appointments, family trips etc. It is very difficult to make these up. During achievement week, I would recommend the following things to help your child do his best:

- ❖ Nine to ten hours of sleep each evening.
- ❖ Breakfast that included a good serving of protein.
- ❖ Trying to keep routines as normal as possible. This will be a stressful week for the children. (Parents too)
- ❖ Coming to school and being in the classroom before 7:55 am.

Being encouraging and reassuring to your child. There will be things on the tests they won't know. We will talk about this also at school that doing your best is what is important.

### Gala of Giving Auction

The Gala of Giving Auction is May 9<sup>th</sup>. It should be an evening of fun and fellowship. Registration / reservations are now open. Check in with the school office for more info. Each classroom is contributing a 'basket' or special thing for the auction. Our class will be making a project.
