Testing

Our class's testing dates will be Tuesday, March 9 and Thursday, March 11. During testing days, I would recommend the following things to help your child do his best:

- ❖ Nine to ten hours of sleep each evening.
- ❖ Breakfast that included a good serving of protein.
- ❖ Trying to keep routines as normal as possible.
- ❖ Coming to school and being in the classroom before 7:55 am.

Being encouraging and reassuring to your child. There will be things on the tests they won't know. We will talk about this also at school that doing your best is what is important.

Just a reminder. If you ever need an extra copy of this letter, you can find a copy on the school website. Just look under the school tab / classroom pages/ Miss Schultz

Have a good week.
